

Operations Manager – Badenoch Broadband

Based in the Highlands of Scotland, within the beautiful Cairngorms National Park, we are a fast-growing and successful wireless broadband provider in our 7th year of operation. With operations centered in Laggan by Newtonmore, we provide a valuable high speed service to businesses and homes in rural communities across Strathspey.

Due to our continued expansion, we are looking for a motivated and skilled individual for the full-time role of Operations Manager to join our team. The role involves managing and expanding our wireless network and supporting our growing customer base.

The right candidate will have good computing skills, at least a working knowledge of tcp/ip and subnets and be prepared to work outside on hill top masts as well as a variety of locations around Badenoch and Strathspey

Most importantly you will be able to demonstrate your willingness to learn and to develop a working knowledge and level of expertise in wireless and wired networking.

Salary range is from £20K to £25K depending on skills and experience. A three-month probationary period will apply. A full and clean driving license and your own vehicle is essential.

Full job description and further company information is available on our website, www.badenochbroadband.com/jobs

Apply by emailing: jobs@badenochbroadband.com. Please enclose a full CV and a covering letter explaining why you think you are the right candidate.
